ORDERING MADE SIMPLE

Send the part number, machine model and serial number, required quantity, and a clear photo of the existing part to our parts team.

Part numbers and model codes are identification references. Confirm fitment, availability and warranty terms when ordering. Only supplied specifications are shown. Where a reference or image needs confirmation, the listing is marked.

ASPHALT PAVER PARTS

CONVEYOR COMPONENTS

Floor plates, chains, shafts, sprockets and conveyor hardware.

A-2253

Left and right scraper rubber

Part number	4601112253
Weight	9 kg

A-7692

Left and right scraper rubber

Part number	2267692
Weight	14.8 kg

A-7686

Centre scraper rubber

Part number	2267686
Weight	5.9 kg
