ROAD MILLING PARTS

FIND YOUR PARTS

98 product listings across nine component groups.

01	Milling picks 10 listings	03
02	Tool holders & bases 26 listings	07
03	Milling drums 3 listings	16
04	Drum housing & wear parts 17 listings	17
05	Conveyor components 12 listings	23
06	Track undercarriage 11 listings	27
07	Wheel assemblies 3 listings	31
08	Electrical & auxiliary parts 7 listings	32
09	Service & replacement parts 9 listings	35

ORDERING MADE SIMPLE

Send the part number, machine model and serial number, required quantity, and a clear photo of the existing part to our parts team.

Part numbers and model codes are identification references. Confirm fitment, availability and warranty terms when ordering. Only supplied specifications are shown.

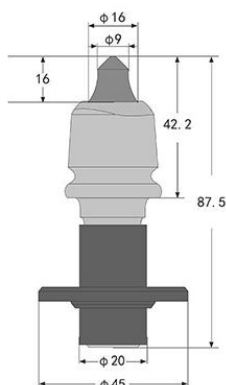

ROAD MILLING PARTS

MILLING PICKS

Carbide picks for asphalt, concrete and soil.

A-4K/20

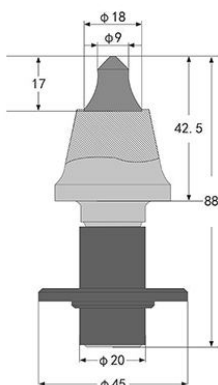

Asphalt milling pick

Part number	2642519
Cross-reference	W4-G/20X²
Tip shape	Cap-shaped
Tip base diameter	16 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	13.4 kg
Carbide per pick	20 g

A-5/20

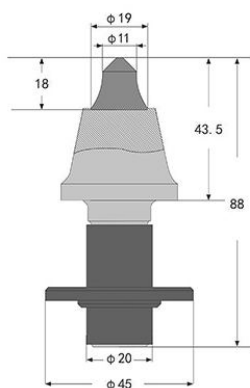

Asphalt milling pick

Part number	2642521
Cross-reference	W5/20X²
Tip shape	Cap-shaped
Tip base diameter	18 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	15.8 kg
Carbide per pick	24 g

A-6/20

Asphalt milling pick

Part number	2642523
Cross-reference	W6/20X²
Tip shape	Cap-shaped
Tip base diameter	19 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	15.8 kg
Carbide per pick	30 g

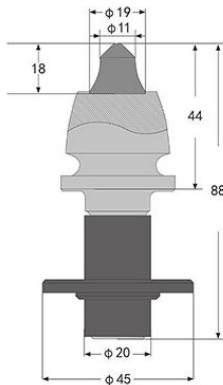

ROAD MILLING PARTS

MILLING PICKS

Carbide picks for asphalt, concrete and soil.

A-6K/20

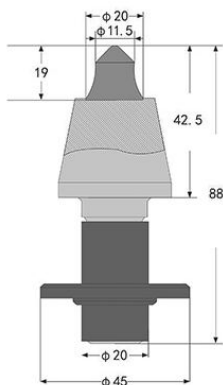

Asphalt milling pick

Part number	2642522
Cross-reference	W6-G/20X²
Tip shape	Cap-shaped
Tip base diameter	19 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	14.8 kg
Carbide per pick	30 g

A-7/20

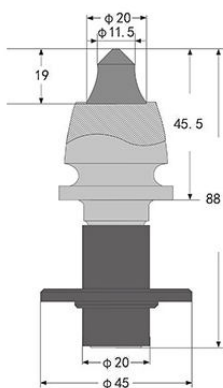

Asphalt milling pick

Part number	2642532
Cross-reference	W7/20X²
Tip shape	Cap-shaped
Tip base diameter	20 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	16.3 kg
Carbide per pick	40 g

A-7K/20

Asphalt milling pick

Part number	2642530
Cross-reference	W7-G/20X²
Tip shape	Cap-shaped
Tip base diameter	20 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	15.5 kg
Carbide per pick	40 g

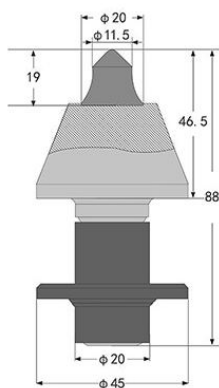

ROAD MILLING PARTS

MILLING PICKS

Carbide picks for asphalt, concrete and soil.

A-8/20

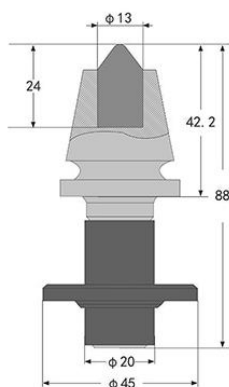

Asphalt milling pick

Part number	1758415
Cross-reference	RC4-01
Tip shape	Cap-shaped
Tip base diameter	20 mm
Shank diameter	20 mm
Pack quantity	40 pieces
Pack weight	15.5 kg
Carbide per pick	42 g

A-C-13/20

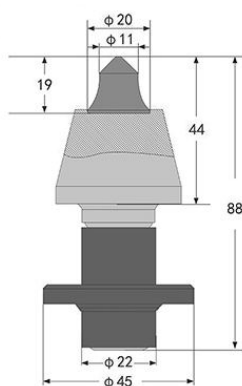

Concrete milling pick

Part number	2642517
Cross-reference	W1-13-G/20X²
Tip shape	Cylindrical
Tip base diameter	13 mm
Shank diameter	20 mm
Pack quantity	50 pieces
Pack weight	15.5 kg
Carbide per pick	40 g

A-C1/22

Soil mixing pick

Part number	2493524
Cross-reference	W6/22Z²
Tip shape	Cap-shaped
Tip base diameter	20 mm
Shank diameter	22 mm
Pack quantity	40 pieces
Pack weight	16.8 kg
Carbide per pick	40 g

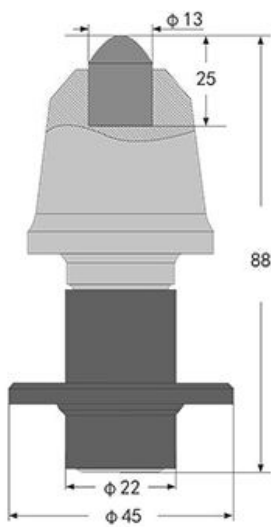

ROAD MILLING PARTS

MILLING PICKS

Carbide picks for asphalt, concrete and soil.

A-C3/22

Concrete milling pick

Part number	2493532
Cross-reference	W1-13/22Z
Tip shape	Cylindrical
Tip base diameter	13 mm
Shank diameter	22 mm
Pack quantity	40 pieces
Pack weight	16.8 kg
Carbide per pick	40 g

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-7002

Tool holder

Part number	187002
Weight	1.88 kg
Fitment	HT11/20
Pack quantity	10 pieces
Includes	Plug and seal

A-9001

Tool holder

Part number	199001
Weight	1.86 kg
Fitment	HT11/22
Pack quantity	10 pieces
Includes	Plug and seal

A-2808

Tool holder

Part number	2682808
Weight	2.33 kg
Fitment	HT22
Pack quantity	8 pieces
Includes	Plug and seal

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-6780

Tool holder

Part number	36780
Weight	0.7 kg
Fitment	HT1
Pack quantity	10 pieces

A-9765

Tool holder

Part number	49765
Weight	1.7 kg
Fitment	HT2
Pack quantity	10 pieces

A-5243

Tool holder

Part number	5243
Weight	1.7 kg
Fitment	HT3
Pack quantity	10 pieces

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-2285

Tool holder

Part number	1012285
Weight	0.787 kg
Fitment	C10AMC
Pack quantity	25 pieces

A-2289

Tool holder

Part number	1012289
Weight	0.526 kg
Fitment	C10HD
Pack quantity	40 pieces

A-2278

Tool holder

Part number	1012278
Weight	0.372 kg
Fitment	C10
Pack quantity	40 pieces

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-9902

Weld-on tool holder

Part number	69902
Weight	1.64 kg
Design	Three bores
Carton quantity	15 pieces

A-5505

Tool holder

Part number	3545505
Weight	0.977 kg
Fitment	KPF303

TOOL HOLDER

Threaded tool holder

Contact our parts team to confirm fitment and specifications.

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

KT100

Tool holder

Weight	0.92 kg
Pack quantity	10 pieces

A-4559

Tool holder

Part number	241-4559
Weight	1.04 kg
Pack quantity	10 pieces

KT300

Tool holder

Pack quantity	10 pieces
---------------	------------------

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-7082

Tool holder

Part number **263-7082**

Weight **1.62 kg**

A-9941

Tool holder

Part number **1519941**

Weight **1.27 kg**

A-1085

Tool holder

Part number **88301085**

Weight **1.4 kg**

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-8502

Base holder

Part number	158502
Weight	4.84 kg
Fitment	HT11

A-8014

Base holder

Part number	2198014
Weight	4.8 kg
Fitment	HT22

A-9997

Base holder

Part number	79997
Weight	5 kg
Fitment	HT3

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-3505

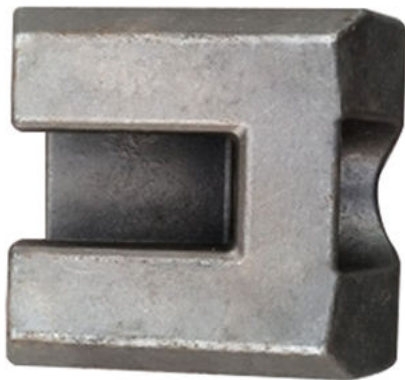

Base holder

Part number	1873505
Weight	3.1 kg
Fitment	KPF301 base

A-9141

Base holder

Part number	169-141
Weight	4.8 kg
Fitment	QC110HD

A-8509

Base seal and plug

Part number	158509 / 2197999
Weight	5.6 g

ROAD MILLING PARTS

TOOL HOLDERS & BASES

Tool holders, base holders, seals and retaining bolts.

A-7988

Base seal and plug

Part number	2197988 / 2197989
-------------	--------------------------

Weight	17 g
--------	-------------

A-8501

Retaining bolt

Part number	158501
-------------	---------------

Weight	180 g
--------	--------------

ROAD MILLING PARTS

MILLING DRUMS

Drum assemblies for HT11 / HT22 tool holders.

A-8577

Milling drum

Part number	2308577
Weight	1.1 tons
Tool holders	HT11 / HT22

A-4564

Milling drum

Part number	2314564
Weight	1.9 tons
Tool holders	HT11 / HT22

A-7321

Milling drum

Part number	2307321
Weight	1.9 tons
Tool holders	HT11 / HT22

ROAD MILLING PARTS

DRUM HOUSING & WEAR PARTS

Carbide scrapers, protective skids and ejectors.

A-6731

Carbide scraper

Part number	56731
Weight	1.57 kg
Profile	A248
Packaging	5-ply corrugated carton

A-4638

Carbide scraper

Part number	44638
Weight	1.53 kg
Profile	B248L
Packaging	5-ply corrugated carton

A-4639

Carbide scraper

Part number	44639
Weight	1.53 kg
Profile	B248R
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

DRUM HOUSING & WEAR PARTS

Carbide scrapers, protective skids and ejectors.

A-6456

Carbide scraper

Part number	146456
Weight	1.57 kg
Profile	B248
Packaging	5-ply corrugated carton

A-6457

Carbide scraper

Part number	146457
Weight	1.53 kg
Profile	B248L
Packaging	5-ply corrugated carton

SCRAPER A248R

Carbide scraper

Part number	146458
Weight	1.53 kg
Profile	B248R
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

DRUM HOUSING & WEAR PARTS

Carbide scrapers, protective skids and ejectors.

A-6731

Carbide scraper

Part number	56731 / 146459
Weight	0.6 kg
Profile	B100
Packaging	5-ply corrugated carton

A-8838

Carbide scraper

Part number	8838
Weight	0.185 kg
Profile	FB50
Packaging	5-ply corrugated carton

A-5630

2K protective skid

Part number	155630
Weight	7.5 kg
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

DRUM HOUSING & WEAR PARTS

Carbide scrapers, protective skids and ejectors.

A-6074

2K protective skid

Part number	2106074
Weight	4.42 kg
Packaging	5-ply corrugated carton

A-1404

2K protective skid

Part number	2111404
Weight	1.9 kg
Packaging	5-ply corrugated carton

A-9177

2K protective skid

Part number	2069177
Weight	1.42 kg
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

DRUM HOUSING & WEAR PARTS

Carbide scrapers, protective skids and ejectors.

A-9390

2K protective skid

Part number	2129390
Weight	1.42 kg
Packaging	5-ply corrugated carton

A-5520

Ejector

Part number	45520
Weight	4.5 kg
Packaging	5-ply corrugated carton

A-4097

Ejector

Part number	44097
Weight	6.5 kg
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

DRUM HOUSING & WEAR PARTS

Carbide scrapers, protective skids and ejectors.

A-0635

Ejector

Part number	2140635
Weight	4.48 kg
Packaging	5-ply corrugated carton

A-0636

Ejector

Part number	2140636
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

CONVEYOR COMPONENTS

Belts, rollers, bearings, housings and seals.

A-7482

Conveyor belt

Part number	57482
Weight	210 kg
Dimensions	800 x 16,300 mm
Volume	0.98 m³

A-5890

Conveyor belt

Part number	25890
Weight	105 kg
Dimensions	800 x 4,740 mm
Volume	0.49 m³

A-8316

Conveyor belt

Part number	138316
Weight	210 kg
Dimensions	1,000 x 16,300 mm
Volume	0.98 m³

ROAD MILLING PARTS

CONVEYOR COMPONENTS

Belts, rollers, bearings, housings and seals.

A-4954

Guide roller

Part number	54954
Weight	1.34 kg
Warranty	6 months

A-1189

Idler roller

Part number	2091189
Weight	4.64 kg
Warranty	6 months

A-1190

Return roller

Part number	2091190
Weight	12.36 kg
Warranty	6 months

ROAD MILLING PARTS

CONVEYOR COMPONENTS

Belts, rollers, bearings, housings and seals.

A-0059

Return roller

Part number

90059

A-3424

Bearing

Part number

83424

A-0868

Cover

Part number

110868

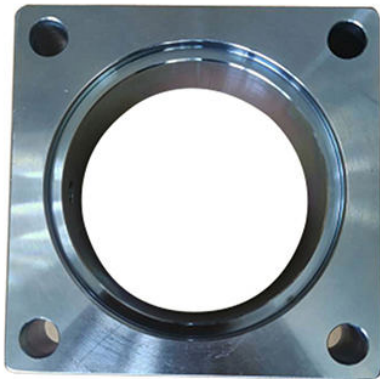

ROAD MILLING PARTS

CONVEYOR COMPONENTS

Belts, rollers, bearings, housings and seals.

A-0873

Housing

Part number **110873**

Weight **5.6 kg**

A-4467

Spacer

Part number **144467**

A-5072

Seal

Part number **145072**

ROAD MILLING PARTS

TRACK UNDERCARRIAGE

Track pads, chains, sprockets, idlers and rollers.

A-0002

Bolt-on track pad

Part number	2650002
Weight	2 kg
Includes	Screws and nuts

A-1111

Track pad

Part number	2411111
Weight	2 kg
Includes	Screws and nuts

A-3489

Base plate

Part number	2063489
Weight	5.36 kg

ROAD MILLING PARTS

TRACK UNDERCARRIAGE

Track pads, chains, sprockets, idlers and rollers.

A-0740

Track pad

Part number	150740
Weight	5.44 kg
Hardware	Screws and nuts excluded

A-P0740

Track pad

Part number	150740
Weight	5.95 kg
Hardware	Screws and nuts excluded

A-0821

Track pad

Part number	150821
Weight	5.95 kg
Hardware	Screws and nuts excluded

ROAD MILLING PARTS

TRACK UNDERCARRIAGE

Track pads, chains, sprockets, idlers and rollers.

A-1236

Track chain

Part number	121236
-------------	---------------

A-3365

Drive sprocket

Part number	2553365
-------------	----------------

Weight	19 kg
--------	--------------

A-1232

Idler assembly

Part number	121232
-------------	---------------

Warranty	6 months
----------	-----------------

ROAD MILLING PARTS

TRACK UNDERCARRIAGE

Track pads, chains, sprockets, idlers and rollers.

A-9776

Driven wheel

Part number **2139776**

Weight **60 kg**

A-3999

Track roller

Part number **193999**

Weight **12.3 kg**

ROAD MILLING PARTS

WHEEL ASSEMBLIES

Complete replacement wheels.

A-9233

Complete wheel

Part number **2149233**

Weight **100 kg**

A-9234

Complete wheel

Part number **2149234**

Weight **100 kg**

A-6673

Complete wheel

Part number **2136673**

Weight **100 kg**

ROAD MILLING PARTS

ELECTRICAL & AUXILIARY PARTS

Lights, sensors, controls, cables and a high-pressure pump.

A-4723

LED work light

Part number	2214723
Weight	1 kg
Packaging	5-ply corrugated carton

A-6319

Rotating warning beacon

Part number	2336319
Weight	1 kg
Packaging	5-ply corrugated carton

A-7341

Wire-rope sensor

Part number	2137341
Weight	2 kg
Warranty	1 year
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

ELECTRICAL & AUXILIARY PARTS

Lights, sensors, controls, cables and a high-pressure pump.

A-5279

Depth sensor

Part number	2075279
Weight	1.5 kg
Warranty	1 year
Packaging	5-ply corrugated carton

A-3613

Control joystick

Part number	113613
Weight	2 kg
Warranty	3 months
Packaging	5-ply corrugated carton

A-2539

Coiled depth-sensor cable

Part number	192539
Warranty	3 months
Packaging	5-ply corrugated carton

ROAD MILLING PARTS

SERVICE & REPLACEMENT PARTS

Spray nozzles, belts, removal tools and hardware.

A-1765

Spray nozzle

Part number	71765
Warranty	6 months

A-6482

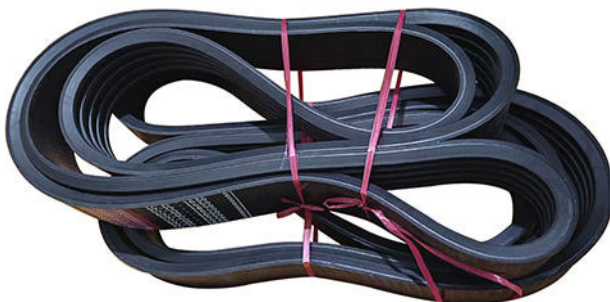

Spray nozzle

Part number	2116482
Warranty	6 months

A-3850

Drive belt

Part number	113850
Warranty	6 months

ROAD MILLING PARTS

SERVICE & REPLACEMENT PARTS

Spray nozzles, belts, removal tools and hardware.

A-4252

Pneumatic pick removal tool

Part number	84252
Warranty	6 months

A-5275

Pick ejector tool

Part number	45275
Weight	0.74 kg
Warranty	6 months

A-8812

Pick extractor

Part number	28812
Weight	0.74 kg
Warranty	6 months
